Kleefisch to Honor Town of Oconomowoc, Wisconsin's Safest City

MADISON – Next week, Representative Joel Kleefisch (R-Oconomowoc) will attend the Town of Oconomowoc's monthly board meeting to honor the town's recent ranking as Wisconsin's Safest City.

For the second year in a row the Town of Oconomowoc has been listed as the number one safest city in Wisconsin, as reported by SafeWise. SafeWise is a national security organization that collects crime data from the FBI, factors in population and demographic information to compile a list of the 20 safest cities in the state.

The Town of Oconomowoc had zero incidents of violent crime and just 22 reports of property related crimes. This can be partially attributed to the town's growing participation in Crime Stoppers, a nationally recognized organization that empowers citizens to work together with law enforcement.

"This recognition is certainly well deserved," Kleefisch said. "It is a testament to the work of the leaders and the residents of the community. It also shows Police Chief Jim Wallis's ongoing commitment to the Town of Oconomowoc, encouraging community policing efforts and residential outreach."

Kleefisch will present Chief Wallis and Town Board Chairmen Bob Hultquist with an official citation honoring their achievement. The Board Meeting will be at the Oconomowoc Town Hall on Monday April 18th and is scheduled to begin at 5:45pm.
